

ST. TERESA ALUMNAE

Mid-summer 1958

NEWSLETTER

PRESIDENT'S MESSAGE

Three months have passed since Homecoming, and it is my pleasure on behalf of your officers and directors to extend midsummer greetings to you and to tell you once again how deeply grateful we are for the full-hearted support and interest given us by our members last year.

It is our fondest hope that this interest will be accelerated even more during the coming months, for in this second year of our administration we dream the dream of all who hold office - - - - that this will be a banner year with all records broken as we turn over the reins of our organization to the next administration on Homecoming Day, 1959. Spin a little dream with us, won't you?

I wish that each of you could see and know what devotion and hard work on the part of officers, directors and members went into what we did last year. Such teamwork is a joy for any president, and I want to take this opportunity to thank you personally, girls, for your willingness to fall in line and do whatever job we asked of you. Maybe you have forgotten how tired you were or how your feet ached from being on them or how your voice finally gave out from too much calling to get out the membership, but I shall never forget your loyalty, I promise you.

Speaking of loyalty, can I ever thank enough the dear Sisters who have given so cheerfully of their time and talents to help us in all our undertakings. Stick with us, Sisters. We need you.

And so we swing into our second year. What lies ahead, we know not. Our potential is unlimited, for ours is an outstanding alma mater and our membership is abundant with talent and ability. Join our team, won't you, and know the thrill of being a part of a worthwhile undertaking - - - to help make ours the great organization it rightfully should be.

Affectionately,

Your President

HOMECOMING ATTRACTS 245 ALUMNAE

On April 27, two hundred and forty-five former students of St. Teresa's convened on the campus for the annual homecoming festivities.

Msgr. Arthur Tighe celebrated Mass in the auditorium, and the group then adjourned to the cafeteria for the breakfast and meeting. Following the breakfast, Msgr. Tighe spoke, recalling his many associations with St. Teresa's.

After the address, the President of the Association, Miss Jean Mullane, introduced the members seated at the head table and the officers of the Association. Miss Mullane also called upon Sister Gonzaga to stand for recognition of her untiring efforts on behalf of the Association.

Mrs. Josephine Cosgriff Haynes, the oldest living alumna, a graduate of the class of 1885, was presented a certificate citing her loyalty. Mrs. Elizabeth Soden Hackett, absent because of illness, was also recognized, and the certificate presented to her daughter. Mrs. Hackett is the second oldest living alumna.

One three generation family was introduced: the O'Gara line, consisting of Mrs. Josephine Wall O'Gara (Class of 1912), her daughter, Mrs. Jane O'Gara Tallman (Class of 1934), and the daughter of Mrs. Tallman, Jane Tallman, who graduated from the Academy this past June.

The Silver Jubiliarians, the class of 1933, from the Junior College and from the Academy, were seated at a table in front of the head table. Miss Mullane then recognized them and introduced them.

The President also pointed out a large group from the Academy class of 1918, and last year's three generation grandmothers, Mrs. Higgins and Mrs. Scurry.

A check for \$120.00 was presented to Sister Alfred, President of the College, for the Kyoto Mission in Japan.

Miss Marie Light, College, 1960, then accepted the first Alumnae Scholarship and the business meeting took place.

Homecoming chairmen were Mrs. Helen Higgins and Miss Margaret Borserine.

THE SILVER JUBILARIANS SPEAK:

College 1933

The following excerpts are taken from the round robin letter circulated to the silver jubilee class by Sister Gonzaga. The letter, consisting of fifteen mimeographed pages, was distributed at Homecoming, April 27.

Ann Marie Disney Reis: (St. Louis, Missouri) Sorry I cannot be with you, but think the idea of a round robin letter an excellent one... In September Mike and I will be Grandpa and Grandma, so you can see we have been blessed ...

Josephine Duffy McQueeney: (Kansas City, Missouri) What have I been doing since 1933? Trying to get this letter written, I think. At least, that is what Sister Gonzaga implied, when she called me .. Seetsie, our fifteen year old daughter .. is quite a gal.

Kathleen Holloway Sullivan: (St. Louis, Missouri) ... Two years later I married, and after seventeen and one-half years have six children ... Mary Kathleen ... Eileen ... Pat. This brings me to Dennis who is eight; Gary, five, and Brian, three. Their sole ambition, as far as I can see, is promoting fights, and their chief occupation is wrestling.

Mary McCallum Connelly: (Los Altos, California) It just couldn't be possible twenty-five years have gone by since I attended St. Teresa's. We have been away from Kansas City fourteen years. It was always my dream that we'd someday be back, and our two children would go to school there -- Tom, Rockhurst, and Mary Cecelia, St. Teresa; But God had other plans.

Kathleen Noll: (New York City) I cannot come to Homecoming April 27, at least not this year, but with my folks back there now I'll probably be around more often ...

Dorothy Sacher Helling: (Kansas City) One of the most wonderful and outstanding moments of my life was on September 11, 1938. I was baptized in the Catholic Church and made my first Holy Communion.

Freda Stauch Bowes: (Kansas City) A few months after my graduation I was elected President of the St. Teresa Alumnae, a position which greatly influenced the course of my life.. we did volunteer work for the Children's Bureau.

Clementine Templin Lovett: (Kansas City) My only regret is that I do not have a daughter to follow me and graduate from such a splendid school as St. Teresa's. Maybe a granddaughter will bring about this fulfillment.
Academy, 1933

Marie Cannon Gargotta: (Kansas City) Married life has been a very happy and time-consuming task. Since the dear Lord blessed us with our little angel, "Caroline" three years ago, I am a firm believer of the old saying, "Life begins at forty."

Jane Dugan Mayer: (Kansas City) We have been back in Kansas City ten years this coming June. My husband is practicing Thoracic Surgery and I am particularly interested in a Diagnostic Heart Clinic that he has established for under-privileged children.

Mary Elizabeth Finney Black: (Houston, Texas) Our total assets to date are three lively children: a daughter and two sons, the oldest four. I cannot even claim the distinction of being the oldest mother of small children in the world, but I often feel like it.

Margaret Fisher Degan: (Kansas City) I will enjoy seeing all of you at Homecoming.

Margaret Franey McMahon: (Kansas City) My husband, Jack McMahon, is a college graduate of Rockhurst.

Margaret L. Gilker Ward: (Philadelphia, Pennsylvania) Presently I am employed by a Saving & Loan Association as a secretary-teller, and like the work very much.

Dorothy Scurry Gramlich: (Kansas City) In the event that we are all blessed in being here for our fiftieth year, please advise me at least a year ahead of 1983.

Frances Heinz Frazier: (Kansas City) In 1939 I was employed by Socony Vacuum Oil Company, and am still employed by that company.

Sister Agnes Cecile Hickox: (St. Louis) After graduation from Fontbonne in 1937, I entered the novitiate of the Sisters of St. Joseph ... In September of 1950 I was assigned to teach at Fontbonne.

Margaret Hix Miller: (Kansas City)
Mary Kay (her eldest child) is a junior at St. Teresa and in this fact lies the fulfillment of one of my dreams, that all my girls will be able to face life fortified with the same type of education ...

Catherine Luby Skinner: (Kansas City) ...club groups that we attend are more fun because along with the new friends are always many 'St. Teresa Girls.' Yes, we still call ourselves that, when our teen-agers aren't around.

Sister Mary Jarlath: (Dorothy McManus, Waco, Texas) One day, Mother Bernard Joseph looked at me in a worried way and remarked, "Whatever will the Community do with you, Sister? You're too tall to teach the primary youngsters, your handwriting is too poor for the middle grades, and Sister Pachomia tells me your grasp on math is too feeble for the upper grades."

Sister Mary Rosalie Moore, S.P.: (Chicago, Illinois) I have taught in various high schools of the Sisters of Providence, as well as in our Junior College in Washington, D. C.

Sister Arthur Inez: (Catherine Murphy, Kirkwood, Missouri) In reviewing the June 1933 edition of The Teresian it is obvious that the majority of us have had destinies other than those predicted.

Marian Newcomer Toliver: (Kansas City) Thank you, dear Sisters of St. Joseph for giving me a true perspective of life; that extra spiritual something that keeps my eye on the narrow gate through which we will eventually, wish to pass.

Mary Louise O'Flaherty Sheehey: (Kansas City) I've been married seventeen of those twenty-five years, and have five children.

Kathryn Quirk Hoffman (Kansas City) During my married life I lived in St. James', St. Elizabeth's and St. Agnes' parishes, plus living in Burbank, California and Alexandria, Louisiana.

Mary Ronna Helm: (Kansas City) I have spent my nineteen years of married life as most average wives do, working for school and charitable organizations.

Mary Agnes Klughartt Thornhill: (Kansas City) For nearly eight years, Sister Gonzaga and I have been keeping track of you, whether you know it or not. It's fun but trying when the young service wives move about from continent to continent. I'll resign when they leave for the moon. Please let us hear from you at least once a year.

FATHERS CLUB INCLUDES ALUMNA HUSBANDS

A newly formed Fathers Club at St. Teresa's Academy includes the husbands of many alumnae. It is the purpose of the club to promote the welfare of the Academy, both scholastically and materially.

Their current project is the rehabilitation of the Science Lab, and installation of modern equipment. They also intend to refloor the commercial rooms on the ground level.

The film "Sound of a Million", a movie about the growth of Kansas City, produced by the Chamber of Commerce in conjunction with Southwestern Bell Telephone, was shown in the auditorium.

On May 19 the Academy graduates were received in a ceremony in the college auditorium. The above film was then shown to the sixty-seven new members. After the program, the group adjourned to the boarders' dining room for refreshments.

SCHOLARSHIP FUND BENEFIT A SUCCESS

In an effort to present the first Alumna Scholarship, the Association held a White Elephant sale and chili supper on March 3, 1958. The profit was \$399.00.

A feature of the White Elephant Sale was the "Famous Names Auction." Gifts were sent by Walt Disney, Bing Crosby, Perry Como, Lillian Roth, Anita Colby, Lawrence Welk, Clare Booth Luce, Governor James Blair of Missouri, Senators Thomas C. Hennings, and Stuart Symington of Missouri.

Another highlight of the evening was the "Foreign Label" auction, in which sealed packages from alumnae in foreign countries and different states were sold.

The high bidder of the evening was Miss Barbara Riley, who bid \$17.50 for the wrapped package from Walt Disney. It contained a colored reproduction of an original celluloid drawing from the motion picture, "Snow White." (See picture)

WAIT TO PLAY GENIE?

In 1945, we the Alumnae Association, inaugurated the life membership plan, a system whereby a member may pay dues for life by a remittance of \$25 or by three annual installments of \$10, \$10, and \$5. A few years later all life membership payments were allocated toward a special scholarship fund, and a \$500 U. S. savings bond was purchased; the remainder was used to open a savings account. Since then, 56 members have become life members, and 11 members are making installment payments toward life membership. With \$1,500 in donations, life membership payments, and interest accrued, we now have \$3,293.49 in the savings account, plus the bond, at a current value of \$443.50. All this is earmarked for the Scholarship Fund.

It has been our goal to build up enough reserve in the Fund to award to a deserving student each year, a scholarship derived from the interest alone. But since after 13 years, we are only about one fourth of the way to the goal, we decided to undertake a special project to raise money to award the scholarship this year. The chili supper and white elephant sale held on March 2 for the Fund cleared \$399, and we were able to award the FIRST ALUMNAE SCHOLARSHIP at HOME COMING in April.

WAS IT A WISH LOCKED IN ALADDIN'S LAMP, THAT ALUMNAE SCHOLARSHIP? No More! We rubbed the lamp, and rubbed it hard, to make the wish come true. But who's going to rub the lamp for next year, to make the Alumnae Scholarship come true again? It's up to you. The scholarship is a REAL thing, now. You'll want to keep it REAL, won't you? The dues statement comes out this fall--it will be a good time to put your name on the roster of life members--Barbara Lee Riley-Treas.

PROGRAM NOTES

This year's program committee, again chaired by our hardworking recording secretary, Mary Elizabeth Dolan, is in the throes of planning a series of fall and winter events that should appeal to all of you.

It is too soon to make any definite announcements, but if all goes well, there won't be a dull moment. An unusual off-campus event in the fall of particular interest to our newer and younger alumnae members has possibility of materializing. A Yuletide festivity is definitely in the picture, on all of which we will keep you posted.

In conjunction with the Guild we plan a Day of Recollection some time in January, and two traditional dates are already set. The Mass for deceased Alumnae will be at nine o'clock on Saturday morning, November 8, and Home coming will be Sunday, April 26, 1959.

We've gone about as far as we can go for now, but watch your mailbox for further announcements.
